FREQUENTLY ASKED QUESTIONS

Where is the Freedom Festival held?

The County of College of Morris, 214 Center Grove Rd., Randolph, NJ 07869

Is there a deadline to submit applications/payment for booth?

YES, registration closes on **Friday, May 27th**. Mail payment and completed contract to:
Bonnie Hodge, Kiwanis Club of Randolph Kiwanis, Inc., PO Box 106, Mt. Freedom, NJ 07970.

Do I have to be there all three days?

YES, vendors are required to man their booth for all three days. Breaking down early or opening up late, unless approved in advance is prohibited.

Is it rain or shine?

YES, but dangerous weather conditions (heavy rain, high winds, area lightning, etc.) may cause the ride company or Township to shut down the rides and direct all patrons to take cover or evacuate the premises. In that event, the duration and severity of the storm may end the festival for the day.

Is there a rain date?

YES, if all or any part of the Festival on Saturday, July 2nd is called for rain, the advertised rain date (including the Fireworks display) is Sunday, July 3rd. All vendors, including our ride and game vendors, will be required to set up on the rain date.

What time can I arrive on June 30th to set up?

Vendors can arrive as early as **2:00pm**. Vehicles must be removed from isles by **4:30pm**.

What is a 9' x 20' space?

The size of a standard parking space. We realize most vendors utilize 10x10 tents and will take that into consideration in finalizing our floor plan.

What size tent do most people set up?

A 10' x 10' pop-up tent. Each vendor is responsible for anchoring their tents with sand bags and/or cinder blocks to ensure everyone's safety. Each vendor supplies their own pop up tent, table, chairs and booth lighting, including extension cords for evening hours.

Can we leave our items overnight and is there security?

Booths, tables and chairs, etc., can be left overnight and there is general security but nothing of value should be left overnight. The Festival will not be responsible for damage, theft or loss of any vendor's work, personal property or display.

Is there overhead lighting?

Overhead lighting is minimal - it's recommended that all vendors bring a lighting source especially when the festival is open during the dark.

Is there running water and ATMS? **NO**
